Program

Accreditation for 0.5 day of continuing education (pending confirmation)

- | | |
|---------------|--|
| 13:00 | Welcome |
| 13:05 – 13:50 | Pain assessment, anaesthesia and analgesia in zebrafish
Dr Lynne Sneddon , University of Gothenburg, Sweden |
| 13:50 – 14:35 | Implementing enrichment for laboratory zebrafish
Dr Chloe Stevens , RSPCA, United Kingdom |
| 14:35 – 14:50 | Life after labs: rehoming zebrafish
Dr Doris Lou Demy , France Center 3R, France |
| 14:50 – 15:10 | Coffee break |
| 15:10 – 15:40 | Skin swabbing as a refined technique to collect DNA samples from laboratory fish
Dr Will Norton , University of Leicester, United Kingdom |
| 15:40 – 16:00 | Refinement of zebrafish husbandry
Dr Colette vom Berg , EAWAG, Switzerland |
| 16:00 – 16:20 | Culture of care in zebrafish
Dr Andrina Zbinden , University of Fribourg, Switzerland |
| 16:20 – 16:40 | Quantitative investigation of adult scale regeneration using live imaging: an opportunity for reduction and refinement
Dr Alessandro De Simone , University of Geneva, Switzerland |
| 16:40 – 17:00 | The EggSorter: an automated tool to standardize the screening, sorting, and dispensing of zebrafish embryos
Dr Ana Hernando Ariza , Bionomous SA, Switzerland |
| 17:00 | Closing |
